THE Fire Department was called out shortly after one o'clock Sunday afternoon on account of the burning out of a fire in Connelly's alley on Eighth street. The horses hitched to the chemical engine and hose wagon were so anxious to go to the fire that the wagon tore away half of one of the heavy front doors of the engine house. The doors open automatically and were a trifle slow in opening on Sunday.

EVERY friend of the Paris Public Library should attend the performance to be given to-morrow night by the B. P. O. Elks for the benefit of the Public Library. Besides two clever little plays the program includes selections by the Elk Quartet and Double Quartet and Glee Club, and also vaudeville acts. ## Burned To Death.

Albert Pepper, the two and a half years old son of Crit Pepper, set fire to his clothing Sunday while playing with some matches, and received burns which caused his death in a short time. The accident happened while the little fellow was left alone for a moment, and when the father could reach the child its clothes were all blazing. He was plunged in a barrel of water to extinguish the flames. The child was horribly burned and only lived a short time. The Pepper family lives on the corner of Fifteenth and Main streets.

## Judge Cantrill Petitioned.

A delegation of Bourbon citizens composed of James Kerns, Walker Muir, Nathan Bayless, Sr., Wm. Remington and Albert Thompson waited on Judge J. E. Cantrill, at Versailles, on Sunday, June 3d, and asked him to depose the Hon. E. M. Dickson from the office of Master Commissioner of Bourbon County and appoint Judge Russell Mann his successor. This move was taken because Mr. Dickson voted for Brown instead of Goebel. Mr. Dickson is a leading member of the Bourbon Bar and has made an excellent and faithful official and his many friends are indignant at the movement against him. It is said that Judge Cantrill told the committee that he would lay the matter before the Bourbon Bar and let them decide the question. It is not believed that Judge Cantrill will make any change in the office.

CECIL ELDRIDGE has joined the church at Georgetown, and secured a purse of \$21 to take Susie and the baby over into Indiana, but like the cat, they all come back to Georgetown. You can't lose Cecil.

THE Library Committee earnestly requests all members of the musical and literary clubs to show their appreciation of the assistance proffered by the Elks by their attendance upon the entertainment to be given by them on Wednesday evening, June 13th, at the opera house, for the benefit of the Library.

## The Democratic Convention.

The Democratic mass convention held at the court house Saturday to select delegates to the Louisville convention, was quite a lively affair.

George Morrow was Chairman of the meeting and Frank Remington Secretary. Resolutions offered by F. L. McChesney were passed endorsing the Chicago platform and the platform of the Kentucky State platform of 1899. Approving the action of the Legislature during the contests, and denouncing the assassination of Gov. Goebel. Declare opposition to trusts, militarism, imperialism and Colonial policy. Denounces W. S. Taylor and resolves that the Republican State Convention by endorsing Taylor made itself participants criminis with him in his crimes. Declares for Hon. Wm. Jennings Bryan and delegates are instructed to vote for only such candidates for delegates to the National Democratic Convention as are favorable to his nomination.

The following resolutions were also passed.

Resolved, That the Democracy of Bourbon County disapprove the action of the District Committee, held at Lexington, in substituting a convention for a primary election, as not being for the purpose of securing the nomination of the choice of the people, but for the purpose of defeating such choice.

Resolved, That we condemn the methods and the haste with which a chairman was selected for the Democratic Committee of this County, and we also condemn the action of said chairman in voting for such convention instead of a primary election, such convention not being demanded but opposed by the Democracy of this county.

Following are the delegates from the Paris precinct: James O'Brien, F. L. McChesney, Horace Miller, J. M. Thomas, E. B. January, Denis Dundon, Wm. Remington, J. W. Thomas, Jr.

T. E. Moore, Jr., Chairman of the County Committee, made a ringing speech defending himself and the Committee and making a plea for harmony in the party. There was a large vote against this resolution. Mr. Moore's speech was heartily applauded.

George McCarney made a short speech regarding the objections to a Congressional primary, and Hon. John R. Allen asked, and was granted, the opportunity to reply to Mr. McCarney.

After the convention Mr. South Trimble was introduced by F. L. McChesney and made a short speech denouncing the assassination of Governor Goebel, denouncing the Louisville Post, and asking the support of Bourbon county.

Mr. Allen then addressed the audience, presenting his claims for the support of Bourbon. He made an eloquent plea for a united Democracy, and made a splendid impression on the audience.

If you cannot read this small print at a distance of 14 inches your eyesight is failing and should have immediate attention:

Imperial spectacles and eyeglasses have perfect lenses, always perfectly centred and made of purest material, set in frames of the highest elasticity and consequently of greatest durability, united with the utmost lightness and elegance. When both frames and lenses are scientifically fitted by Dr. C. H. Bowen's system they always give satisfaction for they are perfect. Never buy cheap spectacles, nor of men who do not know how to fit them. You will get poorly adjusted spectacles, or poor, imperfect lenses, and are better off without any glasses than with either of these defects. Buy Imperial spectacles of a reliable, skillful dealer, and they will last longer without change and be cheapest in the end.

We have engaged the services of Dr. C. H. Bowen who will visit our store on the second and last Thursdays of each month and invite all to call and have their eyes examined, for which there is no charge. Satisfaction guaranteed or money refunded.

Next visit—Thursday, June 14, 1900. Hello, 170.
